## EDUCATION

## PROFESSIONAL EXPERIENCE

### Hawaiian Dredging Construction Company

*Quality Control Engineer Intern: June 2018 - August 2018*

- Provided daily reports to the Senior Project Manager. Reports included the pre-pour concrete checklist, status (issues/ completion) on walkway pours, updates on station installs and material testing results.
- Performed quality checks by measuring the distance between the RAIL and the edge of the entire platform to confirm that the tactile pavers were installed correctly per contract specifications.
- Studied the electrical system plan (speakers, alarms, lights, wiring, panels, switches, etc) by reviewing electrical design drawings and participating in on-site inspections.

## SERVICES

### American Institute of Architecture Students, UH Manoa Chapter

*Member: Fall 2017 - Present*

### AIAS Hawaii WestQuad Conference

*Break out tour Coordinator: July 2019 - November 2019*

Responsible for working with tour companies' Points of Contacts to coordinate tours and resolve scheduling conflicts to ensure conference attendees are transported seamlessly between locations.

### Freedom by Design Treat Street 2019 Event

*Committee Member: July 2019 - October 2019*

Worked on the graphic designed facades incorporating the Coco movie and Dia de Muertos themes for volunteers to hand out candy. Also constructed the facades' structural supports to meet the design specifications. Structural support required on-site setup prior to the event.
