## Employment History

Times Supermarket                                                     Aiea, Hawaii
Pastry Clerk                                                      July 2019 - Present

Trained to work with customers to help serve pastry of their choice and act as a cashier.

Kumon Math and Reading Center of Pearl City                       Honolulu, Hawaii
Assistant Tutor                                                   June 2017 - Present

Work with students ranging from pre-k to 12th grade with math and reading concepts.

## Hobbies & Interests

Growing up with rapid technological advancement has made me passionate about the craft of music and video games. I played tenor and alto saxophone for 6 years and participated in jazz band and the highest level of band made available at school. Likewise, I grew up playing video games that stimulated my brain with puzzles and challenges.

I also am very interested with computer accessories and hardware. I have a collection of mechanical keyboards with custom switches and keycaps that continue to grow.

## Achievements

Hawai'i Annual Code Challenge 2019 - Area 51 Raid Squad, 3rd Place

Participated under the HECO challenge to create a dashboard to display and update real time information from stations to inform stockholders about EV impacts on the community.
